

Indulge Yourself

In a Voyage Inspired from the Ancient Rituals

In centuries past, the Hammam was known as the silent doctor. Indulge in traditional Middle Eastern Hammam and Gommage treatments while your imagination takes you on a mystical journey into the past. For over twelve years, Miraj Hammam Spa has welcomed guests from all corners of the world. Our design is architecturally inspired with historical and cultural influences from Paris, Marrakech and Istanbul. Be transported to another world without having to leave the city.

Together with Candalie of Paris, the leader in Vinotherapie® Spas around the world, enjoy intoxicating treatments such as the signature Crushed Cabernet Scrub, Honey and Wine Body Wrap, the Vinoperfect Facial Treatment and several others, some using fresh grapes, luxurious even by the most discerning standards and superbly beneficial.

Experience a voyage inspired from the ancient rituals of the Middle East to the vineyards of Bordeaux. Old world traditions, introduced into the new world. This will be your Miraj Hammam Spa by Candalie Paris journey.

Candalie Signature

Once upon a vine, on the grounds of Château Smith Haut Lafitte in Bordeaux France, the first Vinotherapie® Spa in the world was

created in 1999. The Spa is a haven of peace, where one can discover the benefits of unique treatments for both face and body based on the exceptional properties of the grape and grapevine. Live in the magic of Candalie signature treatments at the Miraj Hammam Spa by Candalie Paris in Toronto. Allow yourself to be pampered by the expert hands of our therapists as you indulge in unforgettable treatments with Candalie products, applauded across the world for their exceptional anti-oxidant properties.
